To Those I love

When I am gone, just release me, let me go - so I can move into my afterglow. **You Mustn't tie** me down with your tears; let's be happy that we had so many years. **I gave you my love**,you can only guess how much you gave me in happiness. **I thank you** for the love you each have shown, but now it's time I traveled on alone. **So grieve for me awhile**, if grieve you must, then let your grief be comforted with trust. **It's only for a while** that we must part, so bless the memories within your heart. **And then**, when you must come this way alone, I'll greet you with a smile and a **"Welcome Home."**
